

Trek Parts

Trek Parts - TREK Cleaning Machines is a manufacturer of cleaning equipment. Chris Knowlton, Bob O'Hara and Jim Hartsock, TREK's founders, have more than sixty years of experience effectively designing, developing, marketing, manufacturing and offering customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their clients and are devoted to providing new design concepts and top quality so as to meet the diverse needs of their customers.

In their product development; TREK Cleaning Machines always provides fresh design ideas. They enjoy offering products which energize both their dealers and their partners and offer production gains to their clients.

The TREK team of staff enjoys new tasks and new challenges. They are very proud to introduce its breakthrough technology found in their Torsion scrubber line. This line was motivated by the comprehension of operators' skills and requirements along with their understanding of cleaning applications, along with owners' strong desire to dramatically reduce expense through productivity gains.

The staffs at TREK and their dealer-partners are strongly devoted to having both parts and technical support available when it is required. Their high service dedication is among the core values in their customer service. Keeping their clients' cleaning equipment ready and running daily is top priority. The company's top of the line technology delivers dependable equipment that ultimately lessens your cleaning expense. The product, the price and the service all work as one to make them an industry leader.
